

PROFILE

Spencer McInville is a Digital Forensic Examiner, specializing in cellular location analysis at Envista Forensics. He holds certifications in telecommunications and cell phone forensics, such as Cellebrite Certified Operator, Certified Wireless Analyst and Certified Telecommunications Network Specialist. Spencer has qualified and testified as an expert witness in the area of cellular location analysis. Prior to his career at Envista Forensics, Spencer worked in law enforcement as a Violent Crimes Investigator in South Carolina where he investigated crimes such as murder, robbery, and aggravated assault. During his time as a law enforcement officer, Spencer also performed cellular location analysis and mobile forensics. He has over 200 hours of training in historical cell Site location analysis, mobile phone forensics and GPS records analysis. He has also worked on state and federal cases across the United States.
